Ex-Judge W. C. Barnett is yet very low with consumption.

A wedding or two is very much expected from appearances and current reports.

Mrs. J. M. Tipton is visiting her husband on the new railroad in Tennessee. Mr. Tipton is foreman of an "extra gang." Howard Colyer is improving rapidly. Rev. J. H. Pence has gone to Tennessee to follow his profession.

Rev. Dr. J. A. Sawyer, one of our most distinguished Methodist divines and temperance lecturers, has just closed one of the most successful meetings we have witnessed here for many years.

His sermons and lectures were sublime and our citizens feel very grateful toward him for his very earnest work. Miss Ida Phelps, one of Milledgeville's very best young ladies, was in the meeting and did excellent work from house to house. A Methodist church was organized with a membership of 25 or more.

The Very Best Remedy For Bowel Troubles—No Family Can Afford To Be Without It.

"I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as one of the very best remedies for bowel troubles," writes Mr. J. W. Hanlon, editor of the Despatch, Ocala, Georgia.

"I make this statement after having used the medicine in my family for several years. I am never without it. No family can afford to be without a bottle of this remedy in the house. It is certain to be needed sooner or later. For sale by Lyne Bros., Crab Orchard.

Frederick Uterbark, a saloon-keeper at Cleveland, O., committed suicide by deliberately kneeling and placing his neck across the rail in front of a Lake Shore passenger train, which was moving at a high rate of speed. The head was completely severed from the body.

For a Weak Digestion.

No medicine can replace food but Chamberlain's Stomach and Liver Tablets will help you to digest your food. It is not the quantity of food taken that gives strength and vigor to the system, but the amount digested and assimilated. If troubled with a weak digestion, don't fail to give these Tablets a trial. Thousands have been benefited by their use. They only cost a quarter. For sale by Lyne Bros., Crab Orchard.

Considerable damage was done by a storm which swept over the beaches of Northern New Jersey, Southern New York and Connecticut.

Last Hope Vanished.

When leading physicians said that W. M. Smithart, of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds kept him out of his grave. He says: "This great specific completely cured me and saved my life. Since then, I have used it for over 10 years, and consider it a marvelous throat and lung cure." Strictly scientific cure for Coughs, Sore Throats or Colds; sure preventive of Pneumonia. Guaranteed, 50c and \$1 bottles at G. L. Penny's, Stanford, and Lyne Bros', Crab Orchard. Trial bottle free.

Antecarlo, 2:26 1-2.

Made over Versailles track in winning race, sired by Anteo, 2:16 1-2, that sold for \$50,000 at public sale. First dam Mary Ann, by Haliborn sis. son of Mambrino Patchen. These two crosses produced The Abbot, 2:28 1-4, champion trotting gelding of the world, and Antecarlo, 2:26 1-2, son of Andrew Jackson, Independence's dam by American Star. The American Star and Andrew Jackson blood is responsible for Crescents, 2:24 1-4, the champion trotting stallion of the world. You see Antecarlo's two top crosses are responsible for the fastest gelding, two great crosses are responsible for the fastest stallion. Then you see he is better bred than either of them for he has the blood of both. Antecarlo is a solid brown horse, 13 1/4 hands high, weighing 1,175 pounds, fine style and action. Will stand at \$10 to insure a living colt.

Will also stand the young jack, ABRAHAM 3RD, at \$8 to insure a colt. He was sired by Abraham 2nd and he by an imported jack. Abraham 2nd's first dam by Volapode, 2nd dam by Imp. Palermo, 3rd dam by Morgo Mammoth. Then retained on colts for season money. Mares traded or bred to other horses for insurance and makes season money due.

Both will stand at my farm on Somerset pike, four miles from Stanford. Mares grazed at \$2 per month. Care taken to prevent accidents, but not responsible should any occur. WILLIAM M. FIELDS, Stanford, Ky.

PRESTON 922.

This premium saddle stallion of the world will make the season of 1905 at the stable of J. C. Bailey, on Old Lancaster Street, in Stanford, Ky.

Preston is a brown horse, 13 years old, 15 1/2 hands high, a perfect model, with great style, action and speed.

Preston was sired by Washington No. 54, he by Cromwell No. 73, 1st dam Belle by Roderick, 2d dam by a Denmark horse. Preston has shown against and defeated all the great show horses of Kentucky, such as Kentucky Artist, owned by J. T. Crenshaw, of Lexington, Ky., and Montgomery Chief, owned by Ball Bros. Why you should breed to Preston

1. Because he is the greatest show horse Kentucky ever produced.

2. Because he is siring great show horses, such as Electra that was sold to Senator Vane for \$2,000; Rebecca, that sold at New York Exchange to Geo. Watson for \$650; Miss Henrietta, owned by Gay Bros. that won more premiums in saddle and combined rings than any three-year-old out in 1903; a yearling colt sold to J. C. Cravins, of Illinois, for \$500.

3. Because he is the only saddle stallion that ever sired a team of harness geldings that sold for \$5,000.

4. Because he won the championship of the Louisville Horse Show in 1903, shown by Matt S. Cohen, of Richmond, Ky.

5. Because he has won more money in the show ring than any other saddle stallion in Kentucky.

6. I will be glad to show him to any one at my stable and invite those wishing to breed to a fine saddle stallion to see him before breeding. I will stand him at \$15 TO INSURE A LIVING COLT.

Mares grazed at \$2 per month. Care taken to prevent accidents but not responsible should any occur.

J. C. BAILEY, Stanford, Ky.

Duke of Richmond,

Will make the season of 1905 at my farm, one mile South of McKinney, on McKinney & Mt. Salem pike at the low price of

\$8.00 to insure a living colt. Money due when colt is foaled. When mare is traded or sold insurance is forfeited and in all cases money is due.

DESCRIPTION AND PEDIGREE.—Five-years-old, dark bay, 16 1/4 hands high, a fine individual with best of style and action, drives and rides nicely. He was sired by Tom Covington (1892), he by Limber Jim (Standard and registered), 1st dam by General Duke, 2nd dam by Warren Harris' Denmark, 3rd dam by Old Crockett.

NOTE.—Tom Covington is a combined horse with a record of 2:28 1/4, trial 2:19; his dam was by Kentucky Chief, 2d dam Parson's Abdallah. General Duke had a record in 1875 of 2:45; he was by Embury's Lexington by Old Lexington. The dam of Embury's Lexington was Hellmyra by Imported Monarch.

At same time and place, I will stand two good milk jacks at \$5 TO INSURE LIVING COLTS.

1st. JIM PORTER by Cyclone, out of a premium Jennet.

2d. BRIGNOLIA, JR., by Old Brignolia. Both these jacks have established reputations. Their colts have been on the market in this county for the past three years, having always brought as much as \$500 for any Jack's colts in the county, if not more. So you see that you will not make any mistake in breeding to these jacks.
